

NEW

Infinity Collection

Our Infinity Collection is an eagerly anticipated addition to our already popular contemporary range. Five on-trend door styles that are sure to make a statement on your home.

Three solid styles and two glazed styles means you can create your own level of privacy.

The finish on our market leading composite doors is developed from oak tree woodgrain, creating a beautifully authentic appearance and superior performance that is only available on an Astraseal composite door.

Plus choose any colour for the inside and outside of your door!

What makes an Astraseal door so special?

- Unparalleled security features
- Exceptional durability
- Low maintenance
- Excellent weatherproofing
- Superb sound insulation
- Stunning aesthetics
- Excellent thermal efficiency

ASL01

The Infinity ASL01 is a sleek and simple door design. Perfect for when privacy is paramount. Can be further complemented by a long pull handle.

ASL02

If you love the sleek ASL01 but want some natural light then this is the perfect design, incorporating a tall slim glass panel. Available in Left, Centre and Right configurations.

ASL03

The diagonal grooved design of the ASL03 creates a fun twist on a modern door style. Team with your favourite colour for a stunning entrance.

door-designer.co.uk/astraseal

Our triple glazed glass units encapsulate the decorative design, protecting it and making it easy to keep clean

Our composite door is more energy efficient than a 44mm traditional timber panelled door and a 48mm solid timber core composite door - fact!

Make an entrance

To further complement your home, our low-maintenance colour finish is designed to stay looking great year after year.

Choose the perfect colour for the exterior of your home and match the interior with your decor for a seamless look and feel.

Azure Blue

Distinction Chartwell

Blue Lilac

Sable

Distant Blue
